[Patent # US 8,669,853 B1](#)

# Top Safety Concerns When Boarding the School Bus

- Illegal school bus passing
- Distracted drivers
- Poor visibility

# Sobering Fact: 119

- “From 2003 to 2012, 174 school-age children died in school-transportation related crashes, 55 were occupants of school transportation vehicles and **119 were pedestrians.** “

**Focusing on the pedestrians: if each child's life represents one floor in a building, it would exceed the tallest building in the western hemisphere, One World Trade Center, which soars above the city skyline at 104 stories.**

Compare that to the 119 stories that were taken away from their families too soon.

[NHTSA 2003 - 2012 Data \(Revised June 2014\)](#)

# What's the Law for Passing a Stopped School Bus in HI?

- Whenever a school bus is stopped on a highway with alternating red signal lamps flashing, the driver of any motor vehicle on the same highway in the lane occupied by the school bus and all lanes adjacent to the lane occupied by the school bus shall stop the driver's vehicle before reaching the school bus and shall not proceed until the school bus resumes motion or the flashing red signal lamps are turned off. However, vehicles proceeding in the opposite direction on a divided highway are not required to stop. A divided highway is two roadways separated by a strip of land or other space not intended for vehicular travel.

[State Laws](#)

# Do You Know Where the Stop Arm Violations are Occurring?

- “Of the 75,966 stop-arm violations counted, **98%** were on the **left side** of the school bus (the driver’s side).”
- “More vehicles passed from the **front (58%)** than from the rear (42%)”

# Recommendation for Hawaii

## The patented Gardian Angel® School Bus Safety Lighting System

- Warns motorists to pay attention while the stop arm is out
- Alerts drivers that students are crossing
- Traffic can clearly see children boarding
- Students can see where they step to prevent falls
- Keeps children safe and out of the “danger zone”
- Illuminates through inclement weather, extreme climate change, even creates a visible path in daylight

[Patent #US 8,669,853 B1](#)

# What is the Gardian Angel®?

- See our promotional video and more at [www.GardianAngelLLC.com](http://www.GardianAngelLLC.com)

# About the System

- The lighting system works with any type of bus (A/C/D) and installation can typically take under thirty minutes.
- The lighting system even works on buses equipped with multiplex wiring.
- There are no additional switches for the driver to operate. The system automatically turns on when the red lights are activated, and turn off when the entrance door of the bus is closed.

# Consider This

- Stop sign cameras are infrared. In darkness, every car is gray in color.
- The Gardian Angel® can show the camera the actual color of the offending vehicle, which is required in some states in order to prosecute.

# Specifications

- DOT SAE lens markings ensures peace of mind during vehicle inspections.
- IP 67 certified with O-ring sealed construction – extra protection from dust & water immersion.
- It operates in temperatures of -40 to +65 degrees Celsius.
- Current draw is 1.66 Amps at 12.8 VDC.

# Effectiveness of the System

- Preliminary data from field test in WY revealed at least a 50% reduction of coal trucks running the school bus red lights on a major road.
- Data after completion of the pilot study in WY revealed only one vehicle running a driver's red lights since installing the lighting system.
- The pilot was deemed a success and we were given state approval.

# Endorsements

- Gardian Angel® is endorsed by the **Michigan Association for Pupil Transportation.**
- We have numerous customer surveys that display the driver's positive opinions of the system.
- Entire fleets are now using our technology.

# States Allowing the Guardian Angel ®

- **Michigan** (2013)
- **Wyoming** (June 2014)
- **Mississippi** (Aug. 2014)
- **Vermont** (Oct. 2014)
- **North Carolina** (Nov. 2014)
- **Nevada** (Dec. 2014)
- **Colorado** (Dec. 2014)
- **Nebraska** (Jan. 2015)
- **New Jersey** (Jan. 2015)
- **Wisconsin** (Jan. 2015)
- **Missouri** (Jan. 2015)
- **Texas** (Jan. 2015)
- **Alaska** (Jan. 2015)
- **Idaho** (April 2015)
